

Article 34
JOINT LABOR-MANAGEMENT ACTIVITIES

The following joint labor-management activities have been agreed to by the parties:

- A. Disability Management. The parties agree that the issue of Disability Management is a complex and difficult one which requires study. In addition, disability management policies and programs, when fully implemented, may require changes in some of the provisions of this Agreement. This project includes both the project director and the project labor-management work group. Nothing in this Section is intended to preclude the parties from working, jointly or separately, to learn more about disability management and implementing mutually agreed upon programs. The parties agree that, in the event the state adopts a disability management program, the contract may be reopened for negotiations on this issue by mutual agreement.
